

# EIR NEWSLETTEIR #3

## Care & Cure Committee of e.t.s.v. Thor

Hi there! I hope you have had a wonderful, relaxing and healthy holiday. Have you also survived the first week of University? Of course, we would like to welcome our new members and subscribers to the newsletter. We are very busy getting our activities organized and prepare ourselves for the coming general members meeting of Thor. More about that later. In the table below you will find the prospect of our planning this year.

For the rest, good luck with your study and hope to see you during our activities!

	Activity 1	Activity 2	Activity 3
Quartile 1	Erasmus Medical Center excursion (20 October)	Excursion to Philips (18 September)	LasEirQuest (25 September)
Quartile 2		Excursion to Demcon Medical Robotics	Eir Party
Quartile 3	Symposium Kempenhaeghe	Excursion MicroSure	LasEirQuest
Quartile 4	Symposium Protagoras	Excursion University of Twente	Excursion/ Lunch lecture Medtronic

## We need your help becoming legit!

As you might know, Eir will give a presentation at the General Members Meeting (GMM) of Thor, October 2<sup>nd</sup>. We will show the GMM that we are ready to become an official master association. We will present what we have done over the past year, as well as our plans for the future. We are contacting more and more interesting companies to organize excursions and lunch lectures. To show that we have grown over the past year we need your support. Come to the GMM of Thor and show that you support Eir!

## Erasmus Medical Center

As already noted in the previous newsletter, we will visit Erasmus MC in close collaboration with ODIN. We will travel to the Erasmus Medical Center to learn about hyperthermia and related medical applications. The excursion takes place on September 20<sup>th</sup>.

Subscriptions will be open soon.

Download our GMM article [here!](#)

## LasEirQuest

For the second time, we will go battle each other with a great laser game! For only €10, - it is possible for you to show your battlefield skills in unlimited games during 29:00 to 23:00 on the 25th of September! Subscribe via our [site!](#)

## Philips Excursion

You have probably heard a lot about Philips and that they have a Healthcare branch. It is now your chance to see what Philips is all about during the excursion! We will visit their IGR and MR factory and will receive a presentation about what it is like to work at Philips! Do not hesitate and subscribe yourself quickly via our [website](#) to this amazing excursion! Mind that there are only limited (30) places! **Don't forget your identification.**

## Announcements

Lastly, we would like to thank everyone who mailed us with information about care & cure related activities. If you have more information or think that something would be interesting to share, please don't hesitate to contact us via [board@ma-eir.nl](mailto:board@ma-eir.nl)!

To show your support and interests, please have others sign up for the newsletter! This can be done using on our website: [ma-eir.nl](http://ma-eir.nl).
